Dear Mr. Speaker:

STAT

I have gone into [redacted] situation. He is now, as you told me, located here in Langley in the Far Eastern Division as a GS-14. His advancement is comparable to that of his contemporaries.

At one point in his career he was shifted to the Western Hemisphere Division. This assignment did not turn out particularly satisfactorily and this has had some effect on his career, though in no way serious, nor should it retard his progress.

He is not ready for the War College, but will be considered for an overseas assignment at a senior level. This will give him good experience in various phases of our activities and should equip him for further advances in the not too distant future.

Sincerely,

(Signed) JOHN A. McCONE
